Study: Children

[Stu Bear](#), Presbyterian Church (U.S.A.)

For ages three through six years, Stu Bear includes a storybook (English and Spanish), coloring poster with stickers. This resource introduces young children to stewardship as God's people give thanks to God by sharing time, talents and money with people inside and outside the church.

Study: Youth

[Choices](#) Presbyterian Church U.S.A., 1997

This resource is designed primarily for holistic stewardship ministries with youth. An excellent resource for adults who are stepping out onto new ground in understanding stewardship as discipleship. Each of eight sessions features one aspect of our trust - relationships, environment, health, etc. A series of cards featuring discussion starting questions is great for groups.

Videos

Affluenza and Escape from Affluenza

Two PBS videos narrated by Scott Simon. These videos are excellent tools to introduce folks to the realities of our consumer habits - children, youth, and adults. It uses a humorous, yet penetrating look at over-consumption and materialism. The sequel offers glimpses into the lives and decision-making of those escaping "affluenza."
