

2008 Church Annual Review Form:

Part of the covenantal charge of the Church and Ministry Committee of the Association is to maintain contact with, and regular review of, our congregations. To that end we ask your timely response this review form. It is to be filled out by the moderator/ parish president or other lay leader – ideally after they have met with the Church Council or other church leaders to reflect together on the questions.

The hope is not only to get a sense of your congregation, but also to stimulate your thinking about topics that often get overlooked or put off until they are unavoidable. Your ideas may be helpful to other congregations as well. We would also appreciate your suggestions and critiques as to questions we may have forgotten or should have worded differently. A copy of the Review Form has been sent to the pastor so he/she is aware of the process. Feel free to expand your comments on the back of the form.

Please complete the form within two months and return it to:

Central Association Church and Ministry Committee, Section B SCNC, United Church of Christ 2401 North Lake Ave. Altadena, CA. 91001

Thank you very much for your participation
