

## **Report to SCNC UCC Annual Gathering 2024**

### **From the Pilgrim Pines Camp Board of Directors**

Phil Jenkins, Board Chair, and Board Members: Candice Hubbard, Jenny Penner, Petra Malleis-Sternberg, Brittany McAllister, Jen Folger, Meehan Rasch, Jackie Teves, and Myrna Bohan.

We are deeply grateful to all those in the Southern California Nevada Conference of the United Church of Christ who have supported the ministries of Pilgrim Pines Camp with your participation in our camps and events, your volunteer leadership as counselors, committee members, board members, and work party helpers, and with your donations of funds to support our facilities and our campership program.

We also want to extend our thanks to Jude Johnson and Rich Fluechtling for their service on the Board, both of them resigned their positions in recent months to serve the conference in other ways.

In the first months of 2024, your Board of Directors has been working with our committees and staff after the resignation of our new Program Director and then our Executive Director. Despite continued change, we remain hopeful and positive about the future of the Pines. We have begun to address seriously the deferred maintenance around the camp facility, we have hired an outstanding Summer Camp staff to lead our program this year, and we are working with our committees to continue to address fundraising and marketing as we move into this new camp season with hope.

Your gifts and support are essential as we share and grow the radically inclusive love of camp. Please give at [www.pilgrimpinescamp.org](http://www.pilgrimpinescamp.org), and follow us on Facebook and Instagram for the latest updates. With ladybugs and shooting stars, your Board
